REMINDERS

Water Bottles

Water bottles are allowed in classrooms. Please note that this should be just water. Juice should be kept for lunchtime only. We are working with the children on the importance of good hydration by water. Please support us with this. Other drinks advised by GPs can be used in co-ordination with staff.

Playtimes Snacks

Please can we gently ask you to remind your child that crisps and chocolate should be saved for lunchtimes and not playtime. Infant children have access to free fruit and junior children should take out a healthy snack. Toast has made a huge difference to this - Thank you

Letter to parents and guardians from Merseyside Police re. Halloween and Bonfire Night

We are writing to all parents and guardians to ask for your help over the upcoming Halloween and Bonfire Night period.

We want everyone to have fun and we'll be working hard to keep you safe, but we need your help:

Know where your children are

- Encourage kids to go to local events that are being organised, or try a spooky film together
- If your children are going out (particularly on the 30th and 31st of October), make sure you know where they're going. If possible, drop them off and pick them up
- Don't let your children hang around the street
- If they're going somewhere local – walk there with them
- Have an agreed time when they need to be home
- Don't buy fireworks or eggs and flour for them, and don't let them take it out of the house

Know the risks

- Throwing things at cars, buses, shops and houses can hurt people – drivers might swerve if they get distracted and cause a crash, or someone might get hurt by broken glass (and scratched paintwork can be very expensive to fix)
- Getting into trouble with the police can lead to a criminal record, which means not being able to go on holiday to countries like the USA, and not being able to do certain jobs
- Messing around with fireworks is dangerous – some burn as hot as 1,200 degrees - hot enough to melt glass and cause serious or fatal injuries

Know the law

If a young person under the age of 16 commits any of the offences below, the parent/guardian will have to pay the fine.

- A person under the age of 16 can be arrested and fined if found with an unlit firework
- A person under the age of 16 can also be arrested and fined if they throw or light a firework or make a bonfire
- A person under the age of 16 can be arrested and fined for throwing things like eggs, flour, paint or other objects at people, vehicles or property

Thank you for your help and support. By working together, we can keep your children safe this Halloween and Bonfire Night.

I understand that if my child does not attend the club when a place has been confirmed, then I will still be charged, as a place has been reserved.

I understand that if my child is late being collected (**after 5.30pm**), then a late charge of £10.00 per child, will be charged.

PTA @ St Aidan's

Welcome to St Aidan's PTA. We are a committee of parents, teachers and friends - who meet every term in school.

We are a charitable group, established to raise money, support the school, create a community and make a difference to our children.

Our PTA have previously organised Summer Fayres, School Discos, Christmas Activities and raffles. We are constantly looking for new fundraising ideas.

In the past they have helped fund the purchase of new technology, playground equipment and presents for children. As you can imagine the list is endless.

Each year, as our children move on to the high school we lose some valuable support. We would love to gain new support to continue enabling our children to enjoy the benefits that the PTA brings.

Your support is really valuable to our children and always appreciated.

If you would like to join then please contact Mrs Sutcliffe, School Business Manager on staidansb@sthelens.org.uk.

Thank you.
