

# What a year!

Welcome to the final edition of the School Games newsletter for the 2017/18 academic year. We hope that you have enjoyed being kept up to date with the achievements of your pupils in the various competitions that we have delivered.

This year has been the busiest one yet, with 111 competitions delivered, engaging over 8,100 pupils. Alongside traditional sports such as football, athletics and netball, we have introduced a number of new sports that have been extremely popular amongst schools.

We have also experienced a great deal of success in County Finals this year with medals in athletics, boccia, dodgeball, football, new age kurling and tri-golf.

A massive thank you to all schools for their hard work and engagement in the programme and for ensuring that their pupils are provided with a variety of opportunities to compete and challenge themselves.
