

Pupil premium strategy statement 2024-2025

This statement details our school's use of pupil premium (and recovery premium for the 2024 to 2025 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	St Aidan's CE Primary School – Billinge
Number of pupils in school	167(Autumn 24)
Proportion (%) of pupil premium eligible pupils	22%
Academic year/years that our current pupil premium strategy plan covers	2022-2025
Date this statement was published	Autumn 2024
Date on which it will be reviewed	June 2025
Statement authorised by	Mrs Rachel Fisher
Pupil premium lead	Mrs Rachel Fisher
Governor / Trustee lead	Mrs Claire Mills

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£53,835
Recovery premium funding allocation this academic year	Unknown
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year	£53,835

Part A: Pupil premium strategy plan

Statement of intent

At St Aidan's CE Primary School, it is our intention that all pupils, irrespective of their background or the challenges they face, make good progress and achieve high attainment across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our strategy is also integral to wider school plans for education recovery, notably in its targeted support through the school led tutoring for pupils whose education has been worst affected, including non-disadvantaged pupils.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel. To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	From teachers' assessments, early gaps in learning have been identified across the curriculum (following the pandemic). From this, we identify the need for standardised assessments across the school to ensure that no gaps are left.
2	Attendance and punctuality can be an issue for some of the PP pupils.
3	Social, emotional, mental wellbeing (self-regulation and resilience) and readiness to learn on arrival at school. Discussions with staff, parents and children all inform this decision.
4	Access to the whole curriculum can be hindered for disadvantaged pupils as a result of their lack of phonics knowledge.
5	The definition and awareness of the cultural capital and its benefits to increase the life chances of all pupils is an area highlighted in the School Development Plan. This is particularly relevant for our most disadvantaged children.
6	The gap between pp children and their peers in reading, writing and maths, although beginning to be diminished, needs to continue to be closed.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Gaps are identified and pupils achieve expected or better in their assessments	Pupils achieve expected, or better, outcome relative to their starting points, evidenced by data in July 2025.
To achieve and sustain improved attendance and punctuality for our disadvantaged pupils to bring them in-line with our non-disadvantaged pupils.	Attendance and punctuality of disadvantaged pupils is in line with national.
To improve social, emotional and mental wellbeing (particularly self-regulation and resilience) and readiness to learn on arrival at	There are fewer incidents of inappropriate behaviours as evidenced on CPOMS. Staff and parents report that readiness to learn has increased for all children identified.

school for all pupils, particularly our disadvantaged pupils.	
To improve phonics awareness and therefore increase reading attainment for disadvantaged pupils by the end of the academic year (and at the end of KS2)	Pupils make good or better progress in their phonics and reading assessments evidenced by data July 2025.
Curriculum offer will be ambitious and foster aspiration amongst our pupils. Disadvantaged pupils have a variety of experience and opportunity is in line with non-disadvantaged peers. Extra-curricular opportunities to expand our disadvantaged children's experiences and cultural capital will be provided.	Through pupil voice, disadvantaged pupils can articulate aspirations for the future and know how their learning will support this. Through monitoring of books and learning walks, the BEACON curriculum will be fully embedded to ensure a high-quality curriculum for all disadvantaged learners. High uptake of extra-curricular activities in line with peers.
Diminish the gap between pp children and their peers in reading, writing and maths.	Disadvantaged pupils attain in line with or above national progress measures through assessment (standardised) The gap between disadvantaged and non-disadvantaged is reduced. Monitoring of teaching standards will evidence high quality teaching in all year groups with clear progression evident in children's books. Impact of CPD will be clear through monitoring. Intervention strategy will be fully embedded across school and evident in children's books.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost £23,688

Activity	Evidence that supports this approach	Challenge number(s) addressed

<p>Purchase of standardised diagnostic assessments.</p> <p>Training for staff to ensure assessments are interpreted and administered correctly.</p>	<p>EEF: Diagnostic assessments provide opportunities to reflect on pupils' thinking, strengths and weaknesses. When used effectively, diagnostic assessments can indicate areas for development with individual pupils or classes. Diagnostic assessment is crucial for understanding the specific elements of education that pupils are finding challenging, rather than performance in whole subjects. Gaining a thorough knowledge of our disadvantaged pupils' levels of attainment is the first step.</p> <p>https://educationendowmentfoundation.org.uk/public/files/Diagnostic_Assessment_Tool.pdf</p>	<p>1, 4, 6</p>
<p>To offer an extensive internal and external programme of high quality, evidence-based CPD targeted to individual teacher's and learning assistant's needs and whole school priorities with a sharp focus on high quality first teaching.</p> <p>Roseshine's Principles in Action</p>	<p>EEF Guide to the Pupil Premium, June 2019: <i>"Ensuring an effective teacher is in front of every class, and that every teacher is supported to keep improving, is the key ingredient of a successful school and should rightly be the top priority for Pupil Premium spending"</i></p> <p><i>"Good teaching is the most important lever schools have to improve outcomes for disadvantaged pupils."</i></p> <p><i>"A key factor for attainment and progress is effective teaching, as highlighted by the Sutton Trust's 2011 report, which revealed that the effects of high-quality teaching are especially significant for pupils from disadvantaged backgrounds."</i></p>	<p>2,3,4,5,7</p>
<p>To embed a highly effective monitoring programme throughout school to monitor teaching (including pupil progress) and provide support/individualised CPD where required by SLT.</p>	<p>EEF (2022) School Planning Guide: "Effective professional development is vital to support, develop, and sustain high quality teaching. As schools move forwards into the next academic year, professional development programmes are an important focus for school plans" The Guide discusses the importance of CPD be based on mechanisms in four groups:</p> <p>building knowledge; • motivating teachers; • developing teacher techniques; and • embedding practice.</p>	<p>2,3,4,5</p>

<p>To embed feedback policy in line with EEF guidance to ensure maximum possible impact on learning for all pupils.</p>	<p>EEF Guide to Effective Feedback, June 2021: <i>"Feedback should focus on moving learning forward, targeting the specific learning gaps that pupils exhibit."</i> <i>"Teachers should provide opportunities for pupils to use feedback."</i> <i>"Verbal methods of feedback can improve pupil attainment."</i></p>	<p>2,4,5</p>
<p>To embed a high-quality coaching model throughout school to offer peer to peer support to improve teaching standards across school with a focus on early reading for both teachers and teaching assistants.</p>	<p>EEF Guidance to Implementation (2019) states that <i>'an increasing body of evidence demonstrates the impact of coaching on improving implementation and learning outcomes.'</i></p> <p>EEF (2022) School Planning Guide on high quality first teaching:</p>	<p>2,4,5</p>
<p>Review phonics programme to secure quality first teaching in phonics for all pupils.</p> <p>Invest in more books associated with scheme</p> <p>Access to the phonics portal for staff training and resources.</p>	<p>Evidence shows that teaching phonics is the best way to teach children to read. The EEF considers phonics to be one of the most secure and best-evidenced areas of pedagogy, recommending all schools use a systematic approach to teaching it.</p> <p>https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1000986/Reading_framework_Teaching_the_foundations_of_literacy_-_July-2021.pdf</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/literacy-ks-1</p>	<p>1, 4, 6</p>
<p>Improve the quality of social and emotional (SEL) learning through training for all staff.</p> <p>SEL approaches will be embedded into routine educational</p>	<p>There is extensive evidence associating childhood social and emotional skills with improved outcomes at school and in later life (e.g., improved academic performance, attitudes, behaviour and relationships with peers):</p> <p>EEF Social and Emotional Learning.pdf(educationendowmentfoundation.org.uk)</p>	<p>1, 2, 3, 4, 6</p>

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

The engagement of the Learning Support Services and Educational Psychologist has continued to support children with additional needs and from disadvantaged background, putting in to place appropriate support and removing barriers to learning that had previously impacted their progress.

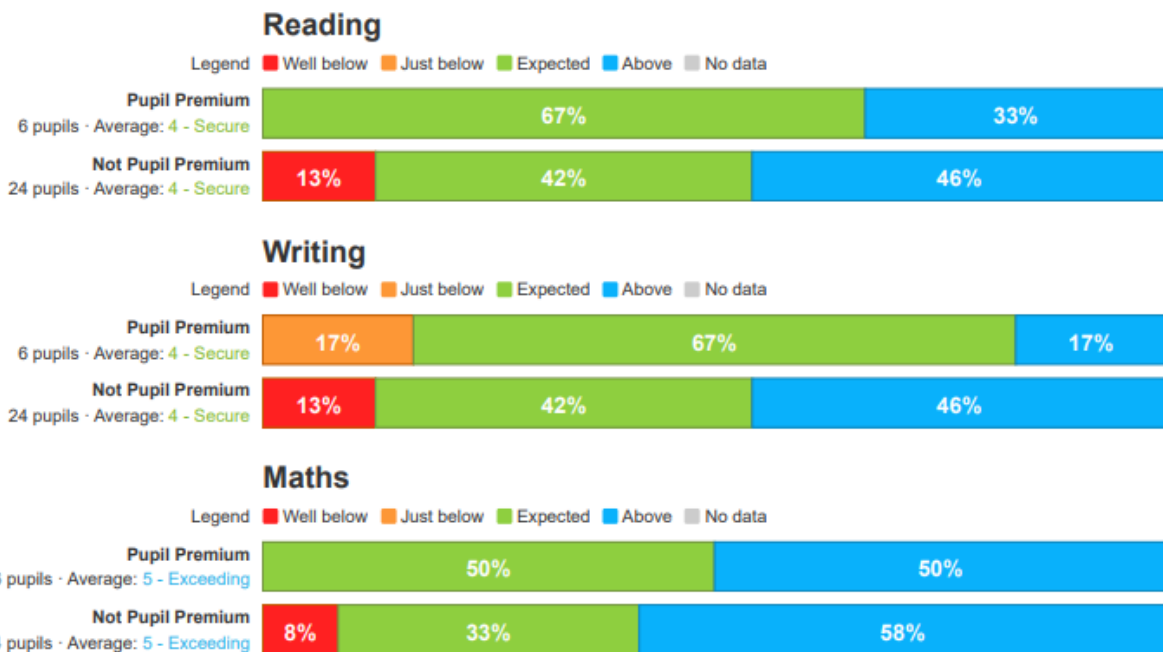

In 2023-24, we tried to ensure disadvantaged children had access to the equipment/ resources needed to improve their skills across the curriculum. This developed confidence and maturity amongst our vulnerable learners. We continued to support children that had fallen behind ARE because of a need. Access to ICT equipment continued to help the children progress at an accelerated rate and overcome any barriers. Uniform, PE kits were school trips provided and paid for.

We continued to identify children who had a particular need or barrier to learning. To support these children we continued to subscribe to the learning tool IDL, allowing the children to access exciting safe online learning activities and builds confidence amongst our vulnerable learners. This tool was used for both intervention and home learning, as it could be accessed both at home and a school. IDL continued to be licenced and logins provided for children who had recently been diagnosed with a need through the Learning Support Service or was signposted by our SEND lead.

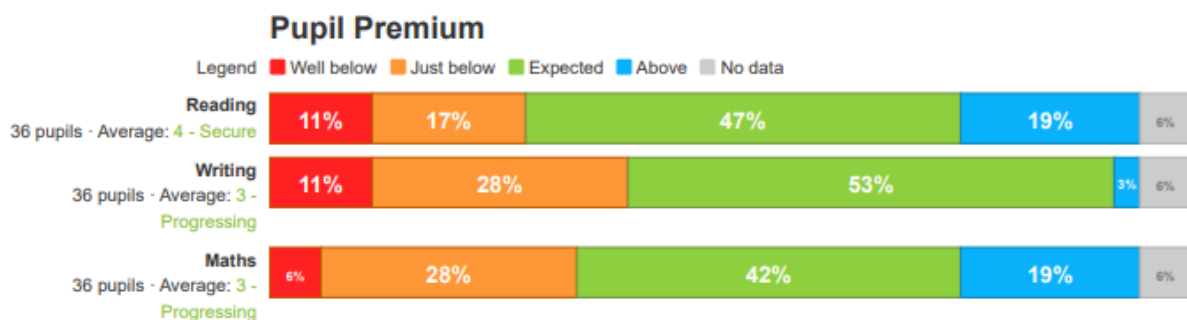

The directing of staff towards interventions for pupils with a barrier for learning, to ensure children made good progress through the year, allowed us to again put in place a personalised support programme for children who needed intensive provision. Interventions that took place had a positive impact. The interventions put in place also allowed the disadvantaged children in Key Stage 2 to make good progress, including were a learning need affected the ARE of the child, using standardised teacher assessment to judge.

The steps put in place for 2024-25 will work to ensure the progress of the children continues to be at least good and the attainment levels of disadvantaged pupils moves to be more in line with their peers

Attainment for end of KS2 Pupil Premium

Attainment Overview for Pupils (from 2023-2024) who are Ever6 FSM - 2023-2024 Summer - Main Assessment

Attendance

In 2021-22, PP attendance was 88 % compared to 94 % for non-pupil premium.
 In 2022-23, PP attendance was 87 % compared to 95 % for non-pupil premium.
 Attendance for pupil premium children compared with non-pupil premium children are outlined below:

2023-2024	PP	Non PP
Autumn Term	88%	95%
Spring Term	86%	96%
Summer Term	87%	95%

Significant intervention has been implemented for our pupil premium children to increase their attendance including fees paid for pupils in receipt of Pupil Premium who attended the school's

wrap around care, food and uniform packages. PA meetings were support is given to families to improve attendance. School trips paid for. Two pupils were awaiting specialist provision places on NIROFTE

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Computing, DT, Music, Art, Geography, History, MFL schemes of work	Kapow
RE scheme of work	Blackburn Diocese
