

TfL's notes for 2010 counts

Columns

- *nlc* - National location code
- *date* - Date of count - see also Source below

Rows

- Ordered alphabetically by station name. Bank and Monument are treated as a single station

Notes

- *N* = station closed
- *T* = Figures include all passengers on the W&C line (which is closed on Sundays)
- *B* = Figures for Bank/Monument now exclude W&C line passengers interchanging with other lines
- *A* = previous year's counts adjusted by average change between years by zone
- 02:00-02:15 - every quarter-hour of the day has a column
- *Total*: Total for the whole traffic day
- *Counts*: All numbers quoted are number of passengers for one typical day
